

## JANESVILLE PARKS

Known as "Wisconsin's Park Place", Janesville is blessed with 2,611 acres of parkland at 65 park locations.

### TYPES OF DONATIONS

Park amenity donations such as a shade tree, bench, picnic table or bike rack make lasting improvements to parks. If desired, a memorial plaque can be placed with the donation. (Look for information on plaques and text suggestions in this brochure.)

### MEMORIAL TREES

Trees are being planted by the Janesville Urban Forest Alliance (JUFA). Cost of a memorial tree is \$300.00. Please see the JUFA brochure, or visit their website at [www.jufa1.org](http://www.jufa1.org) for more information.

***Planting a tree provides shade today & a legacy for tomorrow.***

## BENCHES AND TABLES

The Parks Division uses expanded metal benches and picnic tables coated with dark green vinyl for durability and low maintenance. Benches are 6' in length with a seat back. Picnic tables are either 8' long and portable, or a 46" round permanent installation model. Either will be installed on a pad of concrete provided as a part of the donation. **The Parks Division reserves the right to limit quantities and adjust locations based on the design needs of parks and trails.**

### RECOGNITION PLAQUES

Recognition for most donations has been standardized to a 2" wide by 10" long bronze plaque epoxied to a concrete pad at the time the donated tree/bench/table is installed. This combination of materials provides recognition which stands the test of time.

**\*Note:** Plaques are ordered and paid for by the donor at the merchant of their choice, and delivered to the Parks Division.

### PLAQUE GUIDELINES

- Bronze plaques are preferred (least prone to vandalism)
- Needs to be 2"x10" (3 lines of print maximum)
- Print wording must not be controversial, religious, etc., and must be approved by the Parks Division before the plaque is placed.
